

## HOW YOU PREFER OTHERS WORK WITH YOU

The following statements are generated from your Component Need scores. Carefully read each statement and check the ones that are most significant to you. Remember, a statement appears because it may be significant for you, not because it is significant. Only you can decide which statements are most relevant to you.

- Be direct and straightforward
- Don't force group interaction on you constantly
- You need to see your manager as an authority figure, if you are to avoid overstepping your bounds
- Don't distract you with multiple concerns if it can be avoided
