

YOUR LEADERSHIP STYLE

The following statements are generated from your Component Usual and Component Need scores. Carefully read each statement and check the ones that are most significant to you. Remember, a statement appears because it may be significant for you, not because it is significant. Only you can decide which statements are most relevant for you.

- An unselfconscious leader, direct and to the point, you prefer others to be frank with you
- Strongly directive and commanding, you need to see a similarly authoritative figure in others
- Believe that hard work and long hours are a measure of effective leadership
- Your decisive leadership style can disguise your need for a more thoughtful approach in ambiguous or difficult situations
